Subject:- Implementation of the Scheme for Counselling, Retraining and
Redeployment (CRR) for rationalized employees of Mahanagar
Telephone Nigam Limited - regarding

Dear Sir,

The undersigned is directed to state that the Department of Public Enterprises (DPE) implements a scheme for Counselling, Retraining and Redeployment (CRR) for rationalized employees of CPSEs. The objectives of CRR scheme are to (i) Bring separated employees of CPSEs into the mainstream economy and thereby contribute to national income, (ii) Reorient and re-skilling of VRS/VSS optees/dependents to enable them to adjust to new environment and adopt new vocations, and (iii) Exposure to various industry associations to help the trainees in product/service selection. DPE implements CRR scheme through National Skill Development Corporation (NSDC) and expenditure on these activities are borne by DPE.

2. As a significant number of existing VRS/VSS optees are from Mahanagar Telephone Nigam Limited, it is important that they are made aware of the above initiative so that they or their dependents could avail this benefit. It is, therefore, proposed to organize a half-day interactive workshop with VRS/VSS optees of your company on a convenient date so that the details regarding the scheme could be disseminated to them directly by the NSDC and their training partners.

3. It is kindly requested that the nodal officer of your company may be directed to identify suitable location(s) where significant number of VRS/VSS optees could be invited for the proposed workshop(s) and intimate the same to DPE along with suggestive dates for the workshop(s). The expenses to be incurred in the organization of these workshops would be borne by DPE/NSDC.

4. I look forward for a quick and positive response from your side as it would enable DPE to implement the CRR scheme in a more effective manner.
